BOOKING A TRAINING PLACE

Training places can be accessed via Sefton's Online Training Booking System available at <https://seftonclc.melearning.university/user/login>. Using the Booking System you will be able to:

- Access training information
- Manage training bookings for yourself / your organisation
- Manage cancellations for yourself / your organisation
- Access delegate booking information
- Access delegate training records

Please note: Delegates should not attend training unless an email has been received confirming their place from Training.Services@sefton.gov.uk or from a member of the Corporate Learning Centre Team.

ATTENDING TRAINING EVENTS

A confirmation email will be sent on booking a training place. It is the employing organisation's responsibility to ensure that this notification is disseminated to the relevant delegate(s). The confirmation email provides the following information:

- Date of training
- Registration and training times
- Guidance regarding late arrivals

Event registration

Delegates are required to arrive at the training venue at least 15 minutes prior to the training start time for registration. It is important for all delegates attending training to sign the event register as it is evidence of attendance. The Corporate Learning Centre Team update staff training records and process attendance, cancellation and non-attendance charges based on the information provided on the event register.

Should a delegate attend a training event without signing the event register, that person will be recorded as not attending and the employing organisation will be subject to a non-attendance charge.

Should a delegate attend the training without receiving a confirmation email and / or not be included on the event register, that delegate may not be granted access to the training event.

In the event that a delegate attends a training course without a confirmation email and / or is not included on the event register but is granted access to the training, then the employing organisation of that delegate will be charged for the training place.

Arriving late / leaving early

Delegates arriving to a training event after the start time may be refused entry to that training event and will be charged for the place.

Delegates are expected to participate fully in training and attend the full duration of each training event. Delegates leaving a training event early will have their training records amended to reflect the actual hours of training attended and will be charged for the full duration of that training event.

Substituting a training place

If a delegate cannot attend a training event, the employing organisation can choose to send a substitute in their place. This can be managed directly using the Online Training Booking System: <https://seftonclc.melearning.university/user/login>

15 days or more – Substitutions made 15 days or more before the training event start date can be submitted using the Online Training Booking System: <https://seftonclc.melearning.university/user/login> . The delegate will then be required to enrol on the next available/suitable course. **Please note:** Training charges will still apply.

The booking will be cancelled and subject to a cancellation fee. The delegate will then be required to enrol on the next available/suitable course.

Cancellations / non-attendance

If a delegate cannot attend a training event and the employing organisation chooses not to send a substitute then a cancellation must be submitted as soon as practicably possible.

Cancelled / Rescheduled Events

In the event that the Corporate Learning Centre Team cancel a training event, a notification email will be sent to those organisations with delegates booked onto that event. It is the employing organisation's responsibility to ensure that this notification is disseminated to the relevant delegate(s). The organisation will need to access the Online Training Booking System <https://seftonclc.melearning.university/user/login> to book onto an alternative date.

Should a training event date be rescheduled, delegates that are booked onto that training event will be asked to transfer to a rescheduled date and a new confirmation email will be sent to the employing organisation. It is the employing organisation's responsibility to ensure that this notification is disseminated to the relevant delegate(s). **Please note:** The cancellation periods for cancelling a training place will apply to the rescheduled date. Attendance, cancellation & non-attendance charges will still apply.

Changes to events

Should any changes be made to the training event details including venue and time changes, an email notification will be sent to organisations with delegates booked onto that event.
